New Hampshire

Town, School and Fire District

Year ending December 31, 1957

Granite Monument and Bronze Plaque erected at Pease Air Force Base as a memorial to Captain Harl Pease, Jr. of Plymouth, a gift from friends in the Plymouth area. The plaque was unveiled on September 7, 1957, at services held at the Newington Base, renamed for Captain Pease, who gave his life in World War II.

Portrait of Capt. Harl Pease, Jr., for whom the new airbase at Newington was renamed at impressive ceremonies attended by thousands. The portrait is the work of an outstanding Boston artist, Peter Pezzati, a gift from the State of New Hampshire in tribute to the New Hampshire War Hero. Shown in reviewing stand above portrait are Mrs. Fred C. Tobey, Jr., Miss Charlotte Pease, Selectmen Arnold Spencer and Fred C. Tobey, Jr.

With heartfelt pride, this Report of 1957 is dedicated to the memory of Captain Harl Pease, Jr., in whose name the Air Base at Newington was redesignated on September 7, 1957, with an impressive program.

The front cover displays the monument of New Hampshire granite with the bronze plaque (enlarged upon following page) which was unveiled by Miss Charlotte Pease and, in brief yet well chosen words, was presented to the Air Base by Selectman Fred C. Tobey, Jr., in behalf of the citizens of Plymouth and the surrounding area. This monument stands in front of Division Headquarters near the flag pole. "Every evening," said Brigadier General Arnold, "when the men stand at retreat, homage will be rendered to the flag and to the memory of Captain Pease."

Hundreds of citizens from this area followed Mr. and Mrs. Harl Pease, and their daughter, Charlotte, accompanied by military escort, to unite with thousands for the dedication ceremonies. They listened while Councillor Charles H. Whittier presented a portrait of Captain Pease, by legislative enactment, for the people of New Hampshire and saw Representative Philip S. Willey of Campton perform the ceremony of unveiling this most excellent likeness which will hang in Division Headquarters.

Thousands heard Senators Bridges and Cotton and the highest officers in the Air Force pay tribute to Captain Pease. The speaker of the day was Under Secretary of the Air Force Malcolm A. MacIntyre.

The latest designs in air planes were on display and the ceremonies closed with an air demonstration by ten of the most up-to-date planes, ending with precision flying by the "World Famous Thunderbirds."

Every spectator returned to his home impressed by the distinguished honor when Brigadier General Walter E. Arnold, Commander, 817th Air Division redesignated the installation, "Pease Air Force Base."

The question is often repeated, "What services did Captain Pease render 'beyond the call of duty' as his citations state?"

Space forbids a detailed answer. By military command, an air base is named in honor of an outstanding hero, a native son of the state in which the base is located. Records in the Archives in Washington prove that while in training at Kelley Field, Texas, Cadet Pease acquired such skill in flying that, after he received his pilot's license (1941) he was assigned to join in the first mass flights of B-17s over the Pacific, winning his Air Medal award. Before Pearl Harbor, he was in the Philippines and later (1942) in Australia.

He was not only a skilled pilot, he possessed the know-how to recondition the dilapidated planes that were the only available air equipment then in the Pacific area. He flew rescue missions to Java and to Corregidor for which he received the Distinguished Service Air Medal.

Finally with nine months service as Captain of his squadron, on August 7, 1942, in a plane that he had reserviced to fly, only with his skill, in position in the squadron, he and his crew delivered their bomb load upon the target at Rabaul, New Britain and were retiring when a concentrated attack by enemy planes ignited his bomb-bay tanks, and the plane fell in flames.

When his battalion was privileged to select one of their pilots to receive the second Congressional Medal of Honor (the first medal was awarded to Captain Jimmie Doolittle) his comrades named Captain Pease. From the hand of President Franklin D. Roosevelt this medal was presented to Mr. and Mrs. Pease, posthumously for their son.

Thus in the words of the old hymn, "Where duty called or danger" Captain Pease was never found "wanting there." Therefore, with deepest gratification the citizens of Plymouth dedicate this Report to this native son (1917-1942) Captain Harl Pease, Jr.

AUDITOR'S REPORT

As prescribed by law, we have examined the books and records maintained by the Selectmen, Town Treasurer, Town Clerk, Tax Collector, Highway Department, Trustees of Trust Funds, Treasurer of the Library Trustees and Justice of the Municipal Court.

The records of individual receipts and expenditures were found to be correctly cast and well vouched.

We have verified cash balances and reconciled bank statements for all officials having town business accounts.

We have examined the securities in the Trust Funds.

We have inspected the surety bonds of the Town Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds, Road Agent, Chief of Police and Secretary.

Office of Selectmen:
Plymouth, N. H.

Dear Sirs:

The following is a report of the activities conducted in Plymouth by the N. H. Department of Health, Bureau Public Health Nursing, for the year 1957.

Two Salk Vaccine clinics (for protection against poliomyelitis) were held at Speare School Auditorium with a total attendance of 1030.

A series of three Triple Toxoid Clinics (for protection from Diphtheria, Tetanus and Whooping Cough) were also held. The total attendance at these clinics was 366 children from 3 months to nine years.

Total number of Plymouth children receiving immunizations for 1957 — Salk Vaccine —

	3rd Shots
1 — 5 Years	179
5 — 9 Years	115
10 — 15 Years	173
15 — 20 Years	150
Total number 3rd shots	617

About 75 children have completed two shots.

About 100 more children received three polio shots in 1956 making a good percent of the eligible children of Plymouth who have now received immunizations.

Salk vaccine was also given to the School Personnel at a small fee to cover cost of vaccine.

1st shots 53 2nd shots 29 3rd shots 3

Triple Toxoid Immunizations

	3rd	Booster
Under 5 Years	34	26
5 — 9 Years	7	45
Totals	41	71

Smallpox Vaccinations

Under 5 Years	56
5 — 9 Years	17
Total	73

Asiatic Flu Vaccine Clinic

At the request of Superintendent of Schools, the nurse conducted the Asiatic flu vaccine clinic for School Personnel, Firemen and Police of the town.

Total Attendance 36

My sincerest thanks to the School Personnel, School Nurse, Plymouth Medical Staff, Plymouth Nurses Association, Senior and Junior Woman's Clubs of Plymouth and American Legion Auxiliary for excellent assistance given at these clinics. Also my thanks to the Record office for their publicity, and any others who contributed an any way to the success of the clinics making these services available to the children in Plymouth.

Respectfully submitted,

LOIS W. BARTON, R.N.,

Public Health Nurse,
N. H. Dept. Health

PLYMOUTH CHAMBER OF COMMERCE

INFORMATION BOOTH COMMITTEE

December 31, 1957

Board of Selectmen
Plymouth, N. H.

Gentlemen,

The Information Booth opened this year on Friday, June 28 with Mrs. Maurice G. Paquette as Manager-Attendant.

It is, of course, impossible to evaluate the amount of direct business obtained through the service of the booth.

Reports from tourists, who have taken the time to express their opinions and pass on compliments about service received from Mrs. Paquette, indicate that the help given them is repaid to the town if only in the advertising value obtained.

The booth closed Sunday afternoon of September 1.

During the two months the booth was in operation it served 16,350 persons who came in 5,132 cars from forty-two states, five Canadian Provinces and two foreign countries, Mexico and Cuba.

Through you the Chamber of Commerce extends its thanks to the voters of Plymouth for their generosity in appropriating the $300.00 which materially aided in the support of the booth this year.

Sincerely yours,

CLARENCE H. JONES, Chairman

Information Booth Committee
Plymouth Chamber of Commerce

FOREST FIRE PREVENTION IS EVERYBODY'S BUSINESS

New Hampshire faces a continuing challenge in its forest fire problem — 97 per cent of all our forest fires being man-caused and preventable — a serious indictment of interest in our own welfare and that of our neighbor. Both the State and the towns are striving diligently to effectively meet the challenge through education of the public to the threat fire presents to our woodlands; by maintaining a well trained corps of wardens and deputy wardens in every community and by providing ample opportunity for all who wish to dispose of unwanted waste materials. Careless and perverseness, however, continue to be the big hurdles.

Thoughtlessly discarded lighted cigars, cigarettes and matches from moving vehicles, by hikers, hunters and fishermen; careless burning of debris during hazardous periods in dangerous locations; illegal burning; improperly extinguished debris, camp and cook fires — all result in serious loss of property, disruption of industry and farm work and unnecessary expenditure of town and state funds.

To meet the challenge successfully, the state, your community and your local forest fire warden need YOUR thoughtful and cooperative effort — The rules are simple.

1. Don't burn at home — use your town dump and avoid all fire problems.
2. If you do burn, be sure to secure a written permit from your local forest fire warden when the ground is not covered with snow. Permits are required for open debris fires, home incinerators, outdoor fire places and camp fires. Your warden is instructed to permit burning if weather conditions, site and type of burning are safe.

3. Be sure that all lighted material — cigars, cigarettes and matches — are completely out before discarding them. Use ash trays in automobiles.

4. Make certain that your debris, camp and cook fires are completely out before leaving them.

5. Insist that others be careful and comply with burning requirements.

6. Call the warden promptly when fire is detected and aid him to extinguish it.

REMEMBER — the fire you prevent might be the one which could burn YOUR property.

REMEMBER FOREST FIRE PREVENTION IS EVERYBODY'S BUSINESS and our MOST IMPORTANT UNDERTAKING

PLYMOUTH VILLAGE FIRE DISTRICT
SEWER DEPARTMENT

There was no new construction of sewers in 1957, but several lines were repaired: under the supervision of Supt. Willard Wiggett, these were on Russell, Winter and Pearl Streets, Highland Avenue and Merrill Street.

The sewer line in Langdon Park was surveyed and an estimate of cost for relocating this sewer was made by the Ainsworth Associates of Deerfield, Mass. Their estimated cost of relocation is $25,000.00.

An extension of time for the completion of this project was granted the District by the N. H. State Water Pollution Commission with the understanding that the District Commissioners would recommend a further survey of existing sewers, to determine the location of a main sewer which would be necessary if and when we are obliged to have a sewer disposal unit.

GEORGE H. TOBEY,
E. WALTER AVERY,
HAROLD M. PIKE,

District Commissioners

PLYMOUTH VILLAGE FIRE DISTRICT
WATER DEPARTMENT

Listed below are some of the maintenance jobs done by the Water Dept. under the supervision of Supt. Willard Wiggett.

14 new service lines installed
11 new meters installed
9 meters replaced
¾" line on Winter St. replaced with 2" C. L. pipe
¾" line on Webster St. replaced with ¾" copper
4" gate installed on Warren St.
Hydrant replaced on Main St.
Drained and cleaned reservoir twice
Drained and cleaned cement storage tank twice

When the storage tank was drained a general inspection of the structure was made, and after consulting with several Gunite companies it was decided that some repair work is necessary. This work will be done this coming year.

Acting upon the advice of the N. H. Public Health Department, it was deemed advisable to erect a new retaining wall at the small reservoir to stop an underground seepage condition that was polluting the water in this reservoir. This project was nearly completed under the supervision of Commissioner Avery, and will be finished in the spring and the reservoir will be in use this summer.

The services of Mrs. Marion Wood as secretary and of Willard Wiggett as superintendent, have proved to be of great value to the Water Dept. in its maintenance and construction operations and we herewith extend our appreciation for their work.

PLYMOUTH VILLAGE FIRE DISTRICT
FIRE DEPARTMENT

Through the efforts of Civil Defense Director, Mr. Clifton Mayhew, we were fortunate in being able to purchase from the State of N. H. the following equipment, one mobile generator, a radio system consisting of one base station, one mobile unit and one portable unit.

This equipment was bought for approximately one-third of its actual value and in case of any emergency will certainly prove its worth.

E. WALTER AVERY,
HAROLD M. PIKE,

District Commissioners

AUDITORS' REPORT

We have audited the cash books of the Treasurer of the Plymouth Village Fire District, and Plymouth Village Water and Sewer Departments, and have found the entries therein correctly cast and well vouched.

We have examined the surety bonds of the Treasurer and Secretary of the District.

We have burned five $1,000.00 Water Department Bonds, No. 11-15, inclusive, totalling $5,000.00, and thirteen $1,000.00 Water Department Bonds No. 63-75, inclusive, totalling $13,000.00.

We have burned the following coupons:

55 Coupons No. 11-65, May 1957

50 Coupons No. 16-65, November 1957
totalling $1,181.25

228 Coupons No. 62-122; 133-300, April 1957

215 Coupons No. 76-122; 133-300, October 1957
totalling $5,430.00

GREETINGS

You are hereby notified to meet at the Guy E. Speare Auditorium in said district on the sixth (6th) day of March, 1958, at eight o'clock in the afternoon to act upon the following subjects:

Article 1. To choose a Moderator for the ensuing year.

Article 2. To choose a Clerk for the ensuing year.

Article 3. To choose a Treasurer for the fiscal year beginning July 1, 1958.

Article 4. To choose a member of the School Board for the ensuing year.

Article 5. To choose a member of the School Board for the ensuing three years.

Article 6. To determine and appoint the salaries of the School Board and District Officers, and fix the compensation of any other officers or agents of the District.

Article 7. To hear the reports of Agents, Auditors, Committees, or Officers theretofore chosen, and pass any vote relative thereto.

Article 8. To choose Agents, Auditors and Committes in relation to any subject embraced in this warrant.

Article 9. To see if the District will raise and appropriate the sum of Two Hundred Six Thousand, Five Hundred Eighty Nine Dollars and Ninety Nine cents ($206,589.99) for the support of schools, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be re-

ceived from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which leaves an estimated balance of One Hundred Forty Six Thousand, One Hundred Twenty Four Dollars and Ninety Nine Cents ($146,124.99) to be raised by taxes by the town.

Article 10. To see if the District will appropriate the sum, not to exceed Three Hundred Dollars ($300.00), for the purpose of securing an estimate and preliminary drawing for the proposed High School Building Program.

Article 11. To see if the District will appropriate the sum, not to exceed Nine Hundred Twenty Five Dollars ($925.00), for the purpose of defraying the District's share of the salary of a helping teacher in Supervisory Union No. 48.

Article 12. To see what action the District will take relative to the Contract between the State of New Hampshire represented by the State Board of Education, and the Plymouth Town School District.

Article 13. To conduct any other business that may legally come before this meeting.

SUPERINTENDENT'S REPORT TO THE PLYMOUTH SCHOOL BOARD

Hereby submitted is my annual report as your Superintendent of Schools:

Since my last report there have been several faculty changes in Plymouth High School. In June 1957 David Chenell resigned to take a position in Connecticut, Sam Gammons resigned, and Locke Aldrich was inducted into military service. These three vacancies have been filled with competent and qualified teachers. Fred Gerstein, a University of New Hampshire and Plymouth Teachers College graduate, is teaching foreign languages; Donald Bump of Ashland replaced Mr. Gammons; and William Brackett, 1957 Graduate of Keene Teachers College, assumed the position of mathematics instructor at the high school. In September Henry Majkut, our physical education coach, resigned to take a position in Rhode Island and on a temporary basis, Wilbur Hixon has assumed the duties of physical education director and coach of football and basketball. A definite decision at this point has not been made, but if Mr. Hixon wishes to be our physical education director, he may do so by taking the required hours at Plymouth Teachers College Summer School this year in order to meet qualifications. Harry Eichel, a recent graduate of Plymouth Teachers College, was obtained to take Mr. Hixon's position when he assumed the physical education duties.

There are several important articles in the school warrant this year that need much consideration. As I have mentioned in previous reports, our present manual arts program is inadequate. I am quite sure the committee from the State Department of Education who will inspect us on curriculum and housing needs will not be satisfied with our industrial arts program as it now operates and will recommend changes. It will be further inadequate when we must take over Grades 7 and 8 in September of 1959. I feel quite certain as I am sure you do that when we take over these grades

we shall want a duly accredited junior high school which is not true today. The only problem now is the impossibility to meet state standards for girls' home economics and boys' manual training. A new vocational building will take care of these needs. According to the present laws, Plymouth could realize upwards of forty percent on such a project and I feel that added tuition revenue because of such a program would help greatly to defray the principal cost.

I wish I felt competent to give you a definite answer concerning your renewal of the elementary school contract with the State of New Hampshire. It is a many sided problem and to delineate its facets here would be impossible. It seems to me that this is largely a local problem that will have to be discussed thoroughly at your annual meeting and a vote taken by the people present. If ecomonics are a deciding factor, which seems to me should not be the case, the State of New Hampshire can educate our children more economically than can the town. However, if present trends continue, this gap will slowly close and the time will probably come when the amount of tuition the town pays the State of New Hampshire will equal the total cost to the town if they operated their own elementary schools. Teachers' salaries are a most important factor in the total net education benefits to children in school and if this is true as many top-flight educators believe, the State of New Hampshire for the present can do a better job of educating our children than could we.

Undoubtedly you are interested in the article in your school warrant regarding a Helping Teacher. Several years ago the New Hampshire Legislature made it legal for some New Hampshire school districts to secure the services of a specially trained successful teacher to work with other teachers and children to make school systems more efficient. It was agreed that if such an individual of whom the school districts approved were employed, the state would pay $2500 toward the salary of this person. The remainder of the salary would be prorated among the several towns in the supervisory union on the same basis as other union

expenses. Supervisory Union No. 48 has now become eligible for this service if it is desired. The law relating to this matter states that certain designated unions may employ a Helping Teacher so-called in accordance with Chapter 186, Section 24 of the New Hampshire School Laws when the majority of districts in said union vote for it in their annual meeting and towns so voting include at least 85% of the pupils in said union. If this article is voted in the affirmative, it merely gives the Supervisory Union Board power to act and money to act with if they desire and the district approves. The definition of a Helping Teacher follows: Helping Teacher, as referred to in paragraph XXIII, is defined as a teacher with specific training and experience which will enable her, or him, to give helpful advice, counsel, and assistance to teachers, pupils, and parents of a school system as a constructive means of improving the eduational growth and development of children, solving pupil problems of retardation and maladjustment, adopting the program of studies to meet the needs of the children and the community, bringing resources outside of the school to classroom teachers, pupils, parents and community, and in general acting as consultant to the entire staff and community in recognition of the educational needs.

I have enjoyed serving you this past year. Thank you very much for your consideration and cooperation.

Do not hesitate to contact me if I can help you in any way with matters concerning education.

Respectfully submitted,

M. WAYNE BOWIE,

Superintendent

EXPLANATION OF SUPERINTENDENT'S SALARY

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire, requires that school district annual reports show the total amount paid to the superintendent as per the following quotation:

> "REPORTS. Each superintendent of a supervisory union shall annually prepare a report showing the total salary paid to the superintendent, which report shall show in detail the amount derived from the per capita tax and the amount paid directly by each school district in the union."

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the schools for the previous school year ending June 30th. The Superintendent of Supervisory Union No. 48 during 1956-1957 received a salary of $6150 which was made up as follows: $2500 paid from the per capita tax and $3650 prorated among the several school districts. Allowance of $900 for travel within the union was also prorated as stated above.

The table below shows the portion of salary and travel charged to each school district.

	Salary	Travel
Campton	$ 685.84	$ 169.11
Dorchester	52.19	12.87
Plymouth	1,267.28	312.48
Rumney	525.24	129.51
Thornton	287.62	70.92
Wentworth	170.09	41.94
Woodstock	661.74	163.17
Totals	$ 3,650.00	$ 900.00

Superintendent's salary for 1956-57 based on the above figure is reconciled as follows: $3650 paid by the various districts, plus $2500 received from State per capita tax, equals $6150 superintendent's basic salary. This, plus $900 travel allowance as indicated above totals $7050 — amount received from State Treasurer for salary and travel of the Superintendent of Schools.

M. WAYNE BOWIE,

Superintendent of Schools

PLYMOUTH HIGH SCHOOL
PRINCIPAL'S ANNUAL REPORT
1957-58

I herewith submit my sixth annual report as Principal of Plymouth High School.

At the end of the first half year, our enrollment figures show 328 students, which is an increase over the figures given at the opening of the school year. We have lost fewer students than the expected average loss and have had more new students enroll.

Our time schedule has been altered so that the state requirements have been met, and we are retaining our activity period during the school day. I believe we now have one of the longest high school days in the state of New Hampshire.

The immediate need for our system at the present time is the new Vocational Building. Our present facilities are very inadequate for the type of instruction that is needed and should be taught in this field.

The students who do not plan to go to college or training school after graduation should be given an opportunity to see and work with several vocations while they are attending high school.

The inclusion of the seventh and eighth grade in our manual training and home economics programs will, also, necessitate the expansion in the Vocational field.

PLYMOUTH ELEMENTARY SCHOOL REPORT

To the School Board, Superintendent of Schools, Parents and Citizens of Plymouth:

The list of teachers with grade assignments and enrollments for this year and last follows:

Grade	Teacher	Enrollments Jan., 1958	Enrollments Jan., 1957
Kindergarten	Mrs. Ella Batchelder	49	49
1	Miss M. Evelyn Harris Miss Martha Rand	60	48
2	Miss Grace Cunningham Mrs. Dorothy Desmond	51	35
3	Miss Ruth Millar Miss Dorothy O'Neill	37	49
4	Mr. Edward Desmond Mrs. Ellen Tapply (Sept. '56-Jan. '58) Mrs. Barbara Brackett (Jan.-June '58)	51	63
5	Mrs. Frances Clay Miss Pauline Spitzner	63	51
6	Mr. Robert Frey Mrs. Mildred Potter	51	49
7		44	41
8		38	44
	Seventh and Eighth Teachers: Mr. Bradford Ames Mr. Kenneth Marrer Mrs. Mary Sanderson Mr. Mark Sylvestre		
	Totals	444	429

One of the interesting developments this year has been the participation of the parents in developing a better means of reporting pupil progress to parents.

Through evening meetings and through the work of a study committee of Home Room Mothers and the elementary teachers, this project is just getting under way as this is being written. We are hopeful that this sharing will be very beneficial to both parents and teachers.

Another phase of the staff's professional study this year will be the preparation of Art "Minimum Essentials." This will complete the Curriculum Bulletin which was re-written and distributed to parents last year.

RAYMOND P. HARRIS,

Principal

This School Calendar allows for 178 days actually in school. According to Law, teachers convention and institute days count as school days and the school year must be 180 days duration. Therefore 178 plus 3 days (convention and institute) equals 181 school days. One day may be lost because of storms or other factors before any time has to be made up.

REPORT OF THE SCHOOL NURSE

To the Plymouth School Board:

I herewith submit the annual report of the School Nurse in Plymouth.

This report includes the findings of Dr. McIver, the School Physician, and covers the period of the school year September 1956 to June 1957.

In the fall, 328 pupils had physical examinations by Dr. McIver. The findings were recorded on the school health records and recommendations were made to correct any defects found.

The vision of the lower grade pupils was tested with the Snellen Chart and the Ortho-rater was used in the upper grades. Hearing tests with the Audiometer were done on pupils of the first, fourth, seventh, ninth and eleventh grades. Whenever a defect was found, the nurse reported this fact to the parents so that proper treatment would be followed for early correction. Heights and weights of pupils were recorded to determine normal physical growth and development. First aid was administered to 265 pupils.

Total inspections and examinations numbered 908 and symptoms of the following defects were found:

Dental	142
Tonsils	14
Vision	46
Hearing	13
Lungs	1
Heart	2
Orthopedic	18
Nutrition	7
Speech	1
Abdomen	1

These treatments or corrections were reported at the end of the year:

Dental	155
Tonsils	13

Vision	27
Hearing	3
Lungs	1
Speech	1
Abdomen	1

New Hamphsire Sight Conservation and the Plymouth Lions Club helped with some sight corrections.

T. B. Patch Tests were applied in October, 1956. In November, a Chest X-Ray Clinic was held as a follow-up on the Patch Test results.

Salk Vaccine Clinics were held in October and November, 1956, and March and May, 1957, with 827 pupil inoculations given. 524 immunizations were completed.

Tri-Toxoid Clinics were held in March, April and May, 1957, and 80 pupil inoculations were administered.

At the Pre-School Clinic in May, 1957, 35 children were examined by Dr. McIver. Six dental clinics were held in March, 1957, and 14 pupils were treated by Dr. Crowell.

Scattered cases of the following communicable diseases were reported during the school year:

Pediculosis	5
Trench Mouth	2
Chicken Pox	7
Scarlet Fever	2
German Measles	1
Influenza	8

Grateful acknowledgement is expressed to all who are interested and have participated in making the School Health Program an effective team function.
